List of AHVP Waitlist Selections*

In order to apply for AHVP, please select any and as many AHVP Waitlists that you wish to apply to (you must check off at least one). If you are issued an AHVP voucher from any LHA, you may use that voucher for an apartment anywhere within Massachusetts as long as the apartment meets program standards.

While you can only receive one AHVP voucher at any time, you may be contacted by multiple LHAs at the same time to start the eligibility process.

If you are found ineligible by a particular LHA, you will still remain on the waitlists of the remaining LHAs to which you applied. If you are found eligible and are issued an AHVP voucher, you will be removed from the AHVP waitlists at all LHAs.

You can add or remove an AHVP Waitlist Selection at any time. This means while submitting your application or after your application has been submitted. Those changes can be made by submitting a request in writing to any housing authority or online at the CHAMP website: https://www.mass.gov/applyforpublichousing

Available apartments come in various bedroom sizes and there are various types of State-Aided Public Housing available for low-income families, elderly households, and persons with disabilities found throughout Massachusetts. Not all housing authorities manage every type of State-Aided Public Housing and they also may not have every bedroom size available. At the end of Part 7 you must make at least one Housing Selection that corresponds to which LHA and type of public housing you want to apply to.

List of Housing Selections for Public Housing*

in order to apply for State-Aided Public Housing, you must check off at least one type of housing at one housing authority where you want to live.

Please mark the check box next to the Housing Selection where you want to apply and live. It is important to only apply for housing in cities or towns where you want to live. Please note that making a Housing Selection does not guarantee an offer of housing.

If you refuse to accept an offer of public housing, you will be removed from that public housing waiting list. If you refuse to accept a total of three offers of public housing, you will be removed from public housing waiting lists at all the housing authorities where you applied.

You can add or remove a type of housing or housing authority at any time. This means while submitting your application or after your application has been submitted. Those changes can be made by submitting a request in writing to any housing authority or online at the CHAMP website: https://www.mass.gov/applyforpublichousing

8. Applicant's Certification and Fair Information Practices Act – Statement of Rights*

Review and complete the Applicant's Certification and sign the Fair Information Practices Act – Statement of Rights.

Applicant's Certification*

- I understand that this application is not an offer of housing.
- · For state-aided public housing:
 - I understand that a housing authority will make no more than one offer of an appropriate public housing unit. If I do not accept that offer, without good cause, my application will be removed from the waiting list for that program at that housing authority;
 - o If I reapply for that program at that housing authority, my application will not receive any priorities or preferences that were previously granted or requested on the prior application for a three year period.
 - o I understand that if I fail to accept a total of three offers of housing from across all of the programs and housing authorities where I have applied, that my application will be removed from all programs at all housing authorities to which I have applied. I understand that I can reapply, but that all of the dates and times of my applications will be changed to the date of my new application and my application will not receive any priorities or preferences that were granted or requested on the prior application for a three year period.

For AHVP:

- I understand that AHVP Participants only receive one bedroom vouchers (except for an appropriate reasonable accommodation). I understand that if my household increases and I need a larger apartment where the rent is not affordable with the AHVP one bedroom ceiling rent, I cannot receive any higher amount of rental assistance from the AHVP and should apply for assistance from a different housing program.
- O AHVP is administered locally by participating local housing authorities (LHAs). I understand that I will only be added to the AHVP waitlists which I have selected. While I can only receive one AHVP voucher, I understand that I may be contacted by multiple LHAs at the same time to start the eligibility process. I understand that I am responsible for providing the necessary information and documentation to each and every LHA as requested, regardless of whether I have already provided that information or documentation to another LHA, and that failure to do so may result in the denial of my application.
- o I understand that if I am found ineligible by a particular LHA, I will still remain on the waitlists of the remaining LHAs to which I applied.
- o I understand that if I am found eligible and am issued an AHVP voucher, I will be removed from the waitlists of all AHVP LHAs.
- Based on this application, I understand I should not make plans to move or end my present tenancy until I
 have received a written Unit Offer for Public Housing or a notification of a unit approval for AHVP from a
 housing authority.
- I understand that it is my responsibility to update my application online OR inform a Housing Authority in writing of any change of address, income, or household composition or any other information regarding my application.
- I authorize housing authorities where I have applied to make inquiries to verify the information I have provided in this application.
- I certify that the information I have given in this application is true and correct. I understand that any false statement or misrepresentation may result in the denial of my application.

Applicant's Certification continued

- I understand that housing authorities I have applied to will request a Criminal Offender Record
 Information from the Criminal Justice Information Services and may perform credit checks and other
 background investigations for all adult members of the household.
- I understand that if I have made any intentionally false or misleading statements when applying for public housing, my application will be disqualified and there may be additional consequences.
- I understand that my application information will be transferred to CHAMP. When more than one application I have submitted has conflicting information, for example different addresses, the application information with the newer date will be used. I understand that I may update all information either at one housing authority or online: https://www.mass.gov/applyforpublichousing
- I understand that the online application may be subject to data transmission errors that may make the application incomplete. I understand that DHCD is not responsible for these errors.
- By using this application, I agree to all of these conditions.

Fair Information Practices Act - Statement of Rights*

Local Housing Authorities collect information about applicants and tenants for their housing programs as required by law in order to determine eligibility, amount of rent, and correct apartment size. The information collected is used to manage the housing programs, to protect the public's financial interest, and to verify the accuracy of information submitted. Where permitted by law, it may be released to government agencies, other housing authorities, and to civil or criminal investigators and prosecutors. Otherwise, the information will be kept confidential and only used by housing authority staff in the course of their duties.

The Fair Information Practices Act established requirements governing housing authorities' use and disclosure of the information it collects. Applicants may give or withhold their permission when requested by the housing authority to provide information. However, failure to permit the housing authority to obtain the required information may result in delay or ineligibility for programs. The provision of false or incomplete information is a criminal offense, punishable by fines and/or imprisonment.

As an applicant, you have the following rights in regards to the information collected about you:

I have read and understand this Fair Information Practices Statement of Rights.

- No information may be used for any purpose other than those described above without your consent.
- No information may be disclosed to any person other than those described above without your consent. If we receive a legal order to release the information, we will notify you.
- You or your authorized representative have a right to inspect and copy any information collected about you.
- You may ask questions and receive answers from the housing authority about how we collect and use your information.
- You may object to the collection, maintenance, dissemination, use, accuracy, completeness, or type of
 information we hold about you. If you object, we will investigate your objection and will either correct the
 problem or make your objection part of the file. If you are dissatisfied, you may appeal to a local housing
 authority where you have applied and it will notify you in writing of its decision and of your right to appeal
 to the Department of Housing and Community Development.
